THE MICHAEL ROSS REAL ESTATE REPORT...

Spring has finally sprung, and summer is right around the corner. What do you think of when you think of spring--fresh starts and new beginnings? Spring is when most people think about buying or selling Real Estate. What they might not think about is that there is a lot that goes into such a big financial decision.

We have agents that specialize in Selling, Buying and Investing in Real Estate. Call our office today and find out how having a knowledgeable team working for you makes all the difference.

TODAY'S MARKET REPORT...

"IT IS A SELLER'S MARKET!" Local real estate agents agree that this is the strongest seller's market since 2008. There is not enough inventory to meet the growing demand of West Michigan

TRICKS OF THE TRADE

5 Ways to Improve your Home's Curb Appeal this Season.

From small upgrades to complete landscape makeovers, here are five ways to improve your home's curb appeal:

PAINT YOUR FRONT DOOR:

If you feel daring, go with a bright color or a nice natural color that accents the house.

ADD LIGHTING: Add a unique light fixture to your front porch or landscape lights to your front garden or sidewalk.

CUT BACK TREES AND BUSHES:

Your home could be the nicest one on the block, but if overgrown trees and bushes are in the way no one can see it.

ADD FLOWERS, SHRUBS AND PLANTS:

Plant flowers and shrubbery so that it draws the eye from one side of the house to the other. Hanging baskets are always a nice touch.

UPGRADE HARDWARE AND HOUSE NUMBERS:

Change those outdated locks and house.
